To Whom It May Concern:

Per the FCC's closed caption requirements set forth as of January 1, 2006, I'm requesting that the FCC temporarily waive our caption requirements for the paid program we produced titled 'Bozzani Info 01'. We would like to begin airing the program as soon as possible, and we are currently in the process of adding closed captions to the program.

I will send a follow up letter as soon as the closed captions are added to this program. Please contact me in the meantime if you have any questions or concerns, and thank you for your attention to my request.

Sincerely,

A handwritten signature in black ink, appearing to read "Adam Opitz".
